

How to register & download an e-instruments product

1. Visit <https://www.e-instruments.com/account>

2. Click on „register a new user account“ | Already registered? Go to 5.

3. Please enter the required data in the registration form

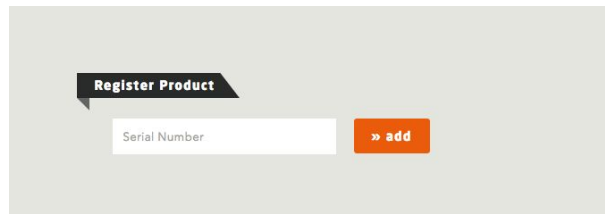

The registration form is titled 'REGISTER' and includes the following fields and elements:

- Fields marked with an * are required.
- Username
- First Name*
- Last Name*
- Email* (with a note: 'This is a required field.')
- A link to the privacy policy: 'Please check our [privacy policy](#) for the full story on how we protect and manage your submitted data.'
- A consent checkbox: 'I consent to my submitted data being collected and stored by e-instruments lab GmbH *'.
- Password*
- Password Confirm*
- A 'submit' button.
- A note: 'Please correct errors before submitting this form.'
- A link to 'login with an existing account'.

4. Open the tab „My Products“

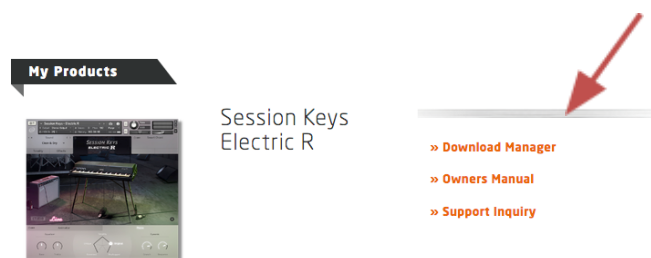

5. Enter your serial number into the according field and click on „add“

Note: If you have purchased a Session Keys Acoustic Bundle or Session Keys Electric Bundle you'll get several serial numbers for the included instruments. Please enter the first serial number and click on "add". Proceed the same way for the other serial numbers.

6. Navigate to your product and click on Download Manager

7. Download and run the Download Manager utility and follow the steps in the provided installation guide. This will pop up after the download of the library.
